Additional Information

1. The Rack Music System (03-120) is shipped with the component rack portion unassembled. Follow the assembly instructions carefully to insure that your display is an effective selling tool. Your customers will react very positively to this item because of its value (completeness) and visual (size) appeal, so make sure your display unit looks its best!
2. Catalog No. 03-106 is Non-Hearing Aid Compatible. If stickers are not on cartons, apply correct sticker (previously supplied) or request stickers from Franchise International/Fort Worth.
3. All OTBs will be stocked in the Force Feed Warehouse and will have a prefix of "03". The 3% freight allowance will not apply to "03" merchandise.
